

ARCHITECTURAL STUDIES MINOR WORKSHEET

Name and UCID:	Date:
	Anticipated Quarter & Year of Graduation:
Major:	E-Mail:
	Telephone:
STANDARD CURRICULUM Enter course number (using the ARCH number, if the course has one), title, quarter, and year. Graduate seminars at the 40000 level may count toward requirements in the major although there are additional burdens to time and expertise, and admission to those courses is by instructor consent only. Students are strongly encouraged to take ARCH 20700 Understanding the Built Environment when available. Minors may elect to take ARCH 29600 Junior Seminar: Doing Art History. Courses used to meet the General Education Arts requirement may not be double counted toward the minor.	
ART HISTORY COURSES (focusing on the built environment): 1) 2)	
ADDITIONAL COURSES (in Art History or other departments, focusing on the built environment): 1) 2) 3) 4)	
RESEARCH PAPER: One 10–15 page paper written for one of the six courses in the minor. Paper Title: Course: Instructor:	

Minors must meet with the Architectural Studies Advisor before the end of Spring Quarter of their third year to declare their intention to complete the minor. The Consent to Complete a Minor form from the college (available on the Architectural Studies website and the College's website) should be submitted with the Architectural Studies Advisor's approval to your college advisor by the same deadline.
