Cluster Form

Name:____________________________________________________

UChicago Email: __________________________________________

Date of Graduation: _____________________

Choose one of the following five cluster options:
  _ Games   _ Creative Computing   _ Electronic Music   _ Digital Moving Image

What specific topic will you focus on within this cluster (Ex: Digital Environment Design, Internet Art)?

You must select a minimum of three related courses as part of your cluster. (You can take as many others related to it as you wish, but 3 will meet the requirement.) Please provide a list (course number and title) of three cluster courses. It is suggested that students list three courses they have previously taken, though this is not a strict requirement. For courses taken previously, please note the quarter in which they were completed.
