Hello Class of 2021,

The College is working hard to create meaningful and memorable Diploma Ceremonies for you and your peers this spring. With that in mind, please review some updates below.

**Academic Regalia**

To ensure you can easily experience the honor and joy of dressing in academic regalia, the College will cover regalia costs for all members of the Class of 2021. Regalia can either be picked up at the bookstore starting the week of Monday, May 17 or delivered directly to your home. Candidates who choose to pick up regalia at the bookstore will need to preorder no later than Friday, April 16. Candidates who choose to have their regalia mailed to them should plan to place this order as soon as possible, and no later than Friday, April 30, to ensure on-time delivery. Candidates will be responsible for any costs associated with shipping.

**Diploma Ceremonies Photo Submissions**

In an effort to personalize the College Diploma Ceremonies, we would like to highlight a picture of you to include in a slideshow that will appear on-screen as your names are being read by the Resident Deans and Resident Heads of your communities. Pictures can be a favorite memory from campus or you can use this opportunity to dress up in regalia or UChicago gear to commemorate this major milestone of graduating from the College at the University of Chicago. Students can submit one to three photos; we ask that one of these photos be just of a single graduate while the remaining two photos can be group pictures with friends and family. To submit your photo(s), please select from the ceremony you are participating in below by Thursday, May 20.
