Dear Students,

I write to let you know that Pre-Registration for your First-Year Humanities Sequence opens TODAY, Tuesday, June 20, 2023 at 9:00 am (CDT). The site will stay open until Friday, June 23, 2023 at 5:00 pm (CDT). This process involves ranking the Humanities sequences by preference. Students who do not submit their Humanities sequence preferences will be assigned to a Humanities based on course availability.

Familiarize yourself with the eight available sequences by reviewing the College Catalog page on the Humanities sequences, the Humanities Core Website, and the recordings in the Canvas Orientation Module #2.

Between 9:00 am (CDT) on June 20 and 5:00 pm (CDT) on June 23, you must visit my.UChicago to make your selections. You will see a link on the right side of the page entitled, First-Year Pre-Registration. Click on First-Year Pre-Registration to begin the process. Written instructions as well as a helpful video for the first round of Pre-Registration can be found here.

Note that picking and ranking your selections is NOT first-come, first-serve. As long as you make your selections by 5:00 pm on June 23, your selections will be reviewed equally. You may make adjustments and changes to your rankings anytime during the week, but please have your final rankings in place by 5:00 pm on June 23. Remember, students who do
not submit their Humanities sequence preferences will be assigned to a Humanities based on course availability.

If you have any questions after working your way through all the resources and viewing the core webinar, please reach out to College Advising collegeadvising@uchicago.edu.

Best Regards,

Kathleen A. Forde
Director of the College Academic Advising Office
Senior Associate Dean of Students

Preparing for Autumn Quarter Courses

**Now:** Review the University of Chicago Core Curriculum and Degree Requirements by visiting the [New Student Advising Website](#).

**Now:** Complete the Academic Advising online module in [Canvas](#). This module provides information about Academic Advising and how to submit your preferences for your Humanities Core sequence course, for which every first-year and transfer student must register. If you haven't already, view the webinar *The Core Curriculum: Foundations for a Transformative Education*, hosted by the College Academic Advising Office.

**Now until July 21:** Learn about the [placement exams](#) you must take this summer. Complete your Mathematics Placement Exam (all incoming and transfer students must take the Mathematics exam), and any other relevant placement exams. Access to placement exams is available through [Canvas](#).

**June 26:** Attend the webinar *Intro to Academic Advising & Preparing for Your First Appointment*, hosted by the College Academic Advising Office. Register [here](#).

**Between June 27 - August 11:** Meet with your Academic Adviser via Zoom. You will receive more information on your assigned adviser and how to set up this appointment in late June. Transfer students should refer to the [Transfer Student FAQ](#) for more information on how these dates and processes apply.
By July 14: Submit AP or IB scores to UChicago (CEEB #1832) through the College Board.

Between August 14 - 18: Select courses for the remainder of your Autumn classes. Instructions on this process will be available later in the summer.
