Dear Student,

Welcome to the University of Chicago! I’m excited to introduce myself as your academic adviser. I look forward to getting to know you in the coming year as you begin the uniquely rigorous and rewarding curriculum of a UChicago education.

You will be able to sign up for your Virtual Summer Required Conference with me by reviewing my availability [here](#) and then selecting the “Summer Advising” option. Once you select a date and time, you will complete intake questions to assist me in making the most out of our first meeting. Please set aside at least 15 minutes to provide full and thoughtful responses. Upon submission of your responses, you will receive an email confirming your scheduled virtual appointment. Please let me know if you are unavailable for any of my openings and we can discuss alternate options.

Enjoy the rest of your summer and I look forward to seeing you for our virtual appointment soon!

Sincerely,

Your Academic Adviser

Steps to Prepare for Autumn Quarter Classes
• **NOW:** Review any [webinars](#) you may have missed, including *The Core Curriculum: Foundations for a Transformative Education* and *Intro to Academic Advising & Preparing for your First Appointment.*

• **June 27 - August 11:** Schedule a virtual appointment with your assigned adviser. *Transfer students should plan to schedule a meeting with their adviser closer to the required meeting deadline, after having received more information about their transfer credits. If preferred, transfer students may meet with their adviser during the pre-registration week (8/14 - 8/18).* Refer to the [Transfer Student FAQ](#) for more information on how these dates and processes apply.

• **July 14:** Deadline to submit AP and IB scores to UChicago (CEEB #1832). Submit any applicable scores as soon as possible.

• **July 21:** Deadline to complete the math and other placement exams in [Canvas](#). Please complete these exams as soon as possible.

• **August 14 - 18:** Submit your preferences for the remainder of your Autumn Quarter courses (instructions available later in the summer).
