Dear Student,

Pre-Registration for Autumn Quarter classes takes place next week, August 15-19, and we want to make sure you have all the tools you need to pre-register! Please see these upcoming webinars that will help you prepare to Pre-Register for Autumn Quarter classes:

**Pre-Registration Webinar**
Friday, August 12
12:00 – 1:00 PM CDT
Register Here
This session will guide students through the pre-registration process that takes place August 15-19. Students will hear from academic advisers on “how-tos” and get tips for registering for autumn quarter.

**Chemistry Virtual Open House & Placement Consultation**
Friday, August 12
2:00 – 3:00 PM CDT
Register Here
This webinar, hosted by representatives by the Chemistry department, will cover the available Chemistry courses and tracks at the University of Chicago. Faculty from the Chemistry department will review placement exam results, course tracks and levels of general chemistry, along with accelerated options. **Note, all students who place into honors chemistry will automatically be enrolled in and notified about the advanced placement exam.**

The Department of Chemistry uses both the Math and Chemistry exams to place students into Introductory, Comprehensive or Honors General Chemistry.

The general chemistry curriculum this year has been adjusted to meet students incoming knowledge base and students will be placed into the appropriate general chemistry course. The grading rubric in the courses will reflect and give credit to the high level of rigor that students exert in the course. Thus, students should feel confident in their chemistry placement.

If you have any questions regarding your chemistry placement, you can email chem-dus@lists.uchicago.edu.

Petitions for change of chemistry placement will be considered. The petition form can be found here. To be considered, petitions must be filed by 5:00 PM, August 26.

**General Math Webinar**
Monday, August 15
9:30 – 11:30 AM CDT
Register Here
This live, recorded math webinar, hosted by representatives from the Math Department, will explain all options regarding Mathematics Placement and is open to ALL incoming students. Discussion will include:

- All possible Math placements, including detailed descriptions of each Calculus sequence
- Math 180s, higher-level placements
- Math Advising Team and procedures to schedule a meeting
- Change of placement
- Higher Level Exam and Calculus Accreditation Exam

**Additional Reminders:**

- If you are not able to attend these webinars live, or if you missed the Academic Advising Office's previous webinars, you may view the Summer Series webinars [here](#) (click on *Webinar Recordings*).
- You are required to meet with your academic adviser by **August 12**. You may schedule an appointment with your Academic Adviser at the [College Scheduling](#) site (click on *Schedule a Summer advising appointment with your College Adviser*). Failure to do so will impact your ability to participate in Pre-Registration.
- Complete the [Core Worksheet](#) and bring it with you to your advising appointment as a jumping off point for your conversation.
- You will pre-register for your remaining Autumn Quarter courses **August 15-19**. Instructions on how to pre-register are on the [New Student Advising Website](#).
- **On Friday, August 12**, your placement test results will be visible in the student portal ([my.uchicago.edu](http://my.uchicago.edu)).
- Humanities course registration for Autumn Quarter 2022 will soon be visible in the student portal ([my.uchicago.edu](http://my.uchicago.edu)) under *My Academics*. Review this helpful [FAQ](#) about Humanities registrations.

Please reach out to your adviser with any questions!

Sincerely,

**Kathleen A. Forde**
Director of College Academic Advising Office
Senior Associate Dean of Students
