Dear Student,

I’m writing to let you know that the second part of Pre-Registration for Incoming Students is now open and will remain open until **Friday, August 14, 2020 at 5:00 pm CDT**. Navigate to [my.UChicago](https://my.uchicago.edu) and log in using your CNetID and Password. Click on First-Year Pre-Registration to begin the pre-registration process to help determine the rest of your schedule. Instructions for this round of Pre-Registration can be found [here](https://www.uchicago.edu/). Review the [scheduling considerations](https://www.uchicago.edu/) to help you prepare for the course request process.

After the second pre-registration window closes, the registration system will sort students into specific class sections. To do this, it will factor in how you prioritized each category and each class section within each category. So while there’s [no way to guarantee](https://www.uchicago.edu/) that you get the courses you’ve asked for, it is important to be thoughtful about how you rank the courses you request.

**SOCIAL SCIENCES**

Students interested in taking a Social Sciences core sequence this year *(regardless of whether they indicated interest in Social Sciences during the first round of Pre-Registration)* may now select and rank their choices during this round of pre-registration.

**TIME CONFLICTS**

In accordance with the College's [Class Attendance Policy](https://www.uchicago.edu/), students will not be able to pre-register for classes with conflicting meeting times.
