Instructions On Pre-Registering
Step-by-step instructions on navigating the Pre-Registration site can be found here. Remember, picking and ranking your selections is NOT first-come, first-serve. You may make adjustments and changes to your rankings anytime during the week, but please have your final rankings in place by 5:00 pm on August 19. Students who do not participate in pre-registration will add courses during the first week of Autumn Quarter (September 27-30).
