UNLOADING

To facilitate a smooth and orderly flow into the building, vehicles will be lined up and students will be able to unload in the order in which they arrive. Ellis Avenue will be blocked off between 60th and 61st Streets during move-in – the only way to enter the street is to wait in the queue of vehicles on 60th Street. The vehicle line will extend from 60th Street and may stretch several blocks, but the line will continue to move along to get each vehicle to the nearest drop-off area.

Taxis and rideshare vehicles should not wait in the car queue on 60th Street, but instead should be directed to drop off passengers on the corner of 61st Street and Ellis Avenue. Taxis and rideshare vehicles coming from the airport should follow the directions above via I-94 but turn from Cottage Grove Avenue onto 61st Street. Proceed three blocks east to Ellis Avenue, where you can exit the vehicle.

UPON ARRIVAL

Be prepared to share the name of the House where you will be living – there are two drop-off areas and you will be directed to the closest one. In addition to helping, you move your belongings, Housing & Residence Life staff will be around to answer questions and provide general assistance.

PARKING & TRANSPORTATION

After unloading your belongings, you will be instructed to immediately move your vehicle to make room for the next arriving student. The following University parking lots/garage will be open, free of charge, on Tuesday & Wednesday:
