Exploration Programs (2)

Two-week exploration programs offer incoming first-year students an opportunity to gain exposure to UChicago-style study abroad in Beijing or Paris before they come to Chicago for Orientation Week.

Foreign Language Proficiency Certifications

Participation in UChicago Study Abroad programs may help you learn a new language or continue studying a language you already know—with the possibility of gaining significant proficiency levels. Visit languageassessment.uchicago.edu/flpc for information about the Office of Language Assessment’s Foreign Language Proficiency Certifications (FLPCs).

Summer International Travel Grants

Summer International Travel Grants give you the freedom to design your own summer experience abroad. Travel independently to a location of your choice and carry out original research or study the local language. Each year the College awards approximately 100 grants of $5,000 each to support these efforts.

Foreign Language Acquisition Grants

Pursue intermediate or advanced language study in the location and program of your choosing. Programs must be at least eight weeks long and located in a setting where the target language is predominantly spoken.

International Research Grants

Conduct independent research in all corners of the world, from field archaeology in Peru to molecular dynamics in Sweden. Often this work leads to a BA paper.

Language Programs (2)

Quarter-long intensive language programs offer intermediate and advanced level instruction.

France Paris (summer)
Advanced French

Spain Toledo (autumn)
Intermediate Spanish
