

RESEARCH ELECTIVE PETITION FORM

All Creative Writing majors must take two courses outside the Creative Writing program, selected in consultation with the Director of Undergraduate Studies, to support the student's individual interests and thesis project. Please utilize this form to state what courses you would like to be considered for your Research Electives and how they inform your academic interests and thesis research. Please submit the completed form to the Program DUS for consideration. Program Administration will confirm if your petition is accepted or if more information is needed.
